PROFILE

Self-directed content creator and digital designer with hands-on experience producing social graphics, short-form vertical video, and brand collateral in Canva, alongside end-to-end website and brand design. Comfortable picking up a new brand voice quickly, managing my own workload, and working remotely without supervision.

SKILLS

Canva (graphics & mobile video)

Short-form / reel video design

Social media graphics

Brand & logo design

Web design & development

Presentation design

Content planning

Independent remote work

EXPERIENCE

Freelance Digital Designer & Web Builder

Self-employed — ongoing

Design and build brand websites, social graphics, presentations and marketing collateral for small businesses, churches and community organisations using Canva and modern web tooling.

Founder — Let Me Get It

Personal project — ongoing

Building a community recommendation platform connecting people who need a product or service with trusted referrals — practical, hands-on experience with what drives engagement and trust online.

General Manager, Hospitality

6 years

Ran day-to-day operations and brand-facing service delivery, managing my own schedule and team accountability.
